

Fingerprint Standalone Access Controller

SA-X9

Description

- Exquisite appearance and simple operation
- No need internet
- Easy operation with mechanical buttons
- Support fingerprint, card, password identification
- ZKFinger10.0 fingerprint algorithm
- Fast and efficient identification Semiconductor silicon fingerprint head

Specifications

Card Type	EM 125HKz
User Capacity	200
Fingerprint Capacity	200
Fingerprint collector	Semiconductor Fingerprint
Power Supply	12V
Doorbell	Wired doorbell
Button Type	Mechanical keys
Dimension	L87 x W87 x H18 (mm)

Dimensions(mm)
